House & Land Package for Sale in Cobbitty

When everything was close to home, and your neighborhood shops only a short stroll away. When finding nature didn't mean traveling for hours. Oxley Ridge is life as we intended it to be.

Enjoy stress-free commutes to and from work thanks to a brand new train line and new public transport options. And with billions being spent on road upgrades in the area, driving around is as breezy as the mountain views.

Oxley Ridge is located in a prime position ? aligned to the South-West Growth Corridor, which accounts for 37% of all new Sydney jobs.

Oxley Ridge. Where life is naturally richer:
