

KENSINGTON, NSW

The Kensington by Toga

Step outside into a colourful neighbourhood full of life. Kensington is the last enclave in the Eastern Suburbs; a vibrant place which embodies comfort, convenience and connection. The area is defined by its state-of-the-art health and education precincts with exceptional shopping, dining, sports and entertainment just a few minutes away including Randwick's upscale retail and racing, Moore Park, Sydney Cricket Ground and The Entertainment Quarter. That's in addition to Kensington's enviable proximity to nature, encompassing numerous parks, beaches, and recreational facilities, making it one of Sydney's most enticing suburbs.
